INFORMATION DISCLOSURE STATEMENT

Sir:

Applicants submit herewith references of which they are aware, which they believe may be material to the examination of this application and in respect of which they may have a duty to disclose in accordance with 37 CFR §1.56.

While this Information Disclosure Statement (IDS) may be "material" pursuant to 37 CFR §1.56(b), it is not intended to constitute an admission that any document referred to herein is "prior art" for this invention unless specifically designated as such.

I hereby certify that this correspondence is being deposited with the United States Postal Service on this date, September 12, 2003, in an envelope marked as, and with sufficient postage as, "Express Mail - Post Office to Addressee," Mailing Label No. EV 252883426 US, addressed to the Commissioner of Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

Annemarie Maher

In accordance with 37 CFR §1.97(g), the filing of this IDS shall not be construed to mean that a search has been made or that no other material information as defined under 37 CFR §1.56(a) exists.

Enclosed is a European Patent Office Search Report dated February 26, 2003 issued in European Patent Application No. 02020378.2 filed on September 12, 2002, from which the present application claims priority. The relevance of each reference is specifically explained in either the Search Report or the application specification.

Further, enclosed is a Form PTO-1449 listing the cited references. Copies of the cited references are enclosed herewith, except for the U.S. reference (pursuant to the USPTO waiver of the requirement to submit U.S. patent references in cases filed after June 30, 2003). The abstract of each reference provides a concise explanation thereof.

This IDS is being submitted simultaneously with the application for patent in this matter; therefore, the undersigned respectfully submits that no fee is due for filing this IDS. The Commissioner is hereby authorized to charge to deposit account 23-0442 any fee deficiency required to submit this IDS.

Dated: September 12, 2003

Respectfully submitted,
